SKILLS

- Languages:** Java, C++, JavaScript, C, PHP
- Frameworks:** HTML and CSS, Bootstrap, NodeJS, React
- Tools/Platforms:** MySQL, MongoDB
- Soft Skills:** Problem-Solving, Team Player, Project Management, Adaptability

TRAINING

- Hitbullseye** Aug 2024-March2025
Developed a very strong base in Data Structures and Algorithms. Acquired advanced problem-solving strategies to optimize both time and space complexity in solutions while preparing for competitive coding challenges.
- Competitive Programming Excellence** Aug 2024-March2025
Coding skills improved through challenges in LeetCode, HackerRank, and GeeksforGeeks with emphasis on bettering problem solving efficiency and ranking under time constraints.

PROJECTS

- Hotel Management Website | Html, Css, Javascript, React** Sep 2024 - Nov 2024
Designed and developed a seamless interface that connects clients with top advocates based on their location and specialization, utilizing HTML, CSS, and JavaScript frameworks like React and Angular to create responsive and engaging user experiences, along with dynamic features such as real-time property search, detailed advocate profiles, and interactive contact forms.
- Slack Message Clone | Php Mysql, CSS** Aug 2024 - Oct 2024
Developing a full-stack Slack-like application that enables real-time messaging through WebSockets and Socket.io, ensures secure authentication using JWT and OAuth, supports role-based access control, channel-based communication, file sharing, and emoji reactions, while incorporating a subscription-based payment system via Stripe or PayPal, automating invoicing, and facilitating scalable deployment with Docker and cloud platforms like AWS or GCP to deliver a seamless user experience.
- Quick Crew | Php, MySQL, JavaScript, CSS** Mar 2023 - May 2023
Building an application to optimize storage, organization, and retrieval of student records, including personal details and academic performance, using PHP and MySQL for efficient data management, while integrating advanced search and filtering features to ensure quick and seamless access to student information.

CERTIFICATES

- Computer Vision - NPTEL Certification Aug 2024
- Learning C++ Programming - Udemy Mar 2024
- Mastering using DSA-Udemy June 2023
- Mastering Data Structures & Algorithms using C and C++ - Udemy Dec 2023

EDUCATION

- Lovely Professional University** Punjab, India
Bachelor of Technology - Computer Science and Engineering; **CGPA: 6.79** Since Aug 2022
- Lala Kamlat Singhania Education Center** Nagaur, Rajasthan
Intermediate; **Percentage: 80%** Apr 2020 - Mar 2021
- Lala Kamlat Singhania Education Center** Nagaur, Rajasthan
Matriculation; **Percentage: 94%** Apr 2018 - Mar 2019
